

GAME MASTER APPRECIATION DAY

What we're doing & Why:

This May, we want to celebrate our Game Masters and all that they do. Since we are in the focus of renewing and making new partnerships with businesses, think about places that your Game Masters could benefit from, or enjoy going to. When you are creating a partnership with that company, ask if they would be willing to reciprocate the partnership on their end and do a discount with us.

Some examples are discounts at restaurants, coffee shops, or even gas stations. We're creating connections with companies not only to build relationships with them, but also to say "Thank You" to our staff by treating them to the benefit of local discounts. It's a win-win for everyone, and it's not the only way that we will give back!

How does this tie to the Q2 meeting?

During the Q2 meeting on May 13th, your team will need to take a team photo that embodies the idea of our values: Do Good, Be Better, Have Fun. All stores will submit their team photo to Faith, and then the best photo will be chosen out of all stores.

The store that is chosen will win a \$200 Amazon Gift Card for their store and the entire team will receive a custom Breakout T-Shirt designed specifically for Game Master Appreciation Day.

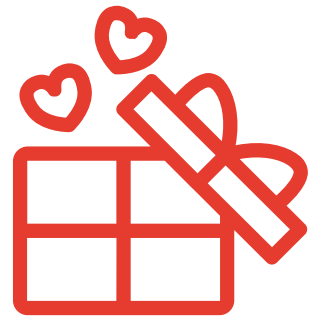

DO GOOD.
BE BETTER.
HAVE FUN.
